Off for Camp Wabash

Oh, Boy, this summer you ought to go
With the Boy Scouts to Camp Wabash;
We'll hike, we'll fish, we'll swim and row,
Two weeks for Five "Bucks" cash.

That sum's nothing for the fun out there,
For the benefit you are sure to get;
Good food, good sleep in the Michigan air,
An outing you'll never regret.

So gather the togs that you'll need to wear
Five dollars will pay all expense,
For your food and your fun in the fresh country air,
And a jolly good time at

The Boy Scouts AND Camp Wabash

CAMP WABASH

on Rowe Lake, is far away from the heat, bad air and "hum drum" of Chicago City Life. At this model camp the boy can relax, inhale the stimulating aroma from the purifying woods of Michigan for two weeks and return home a better boy, with a better—stronger determination to be a better man.

OUR BOY SCOUTS OF CHICAGO

never had a better opportunity for two weeks of out-door life under the careful supervision of experts in scout camping.

THE CAMP IS LOCATED ON ROWE LAKE

about fourteen miles southeast of Benton Harbor, Michigan, and consists of about forty acres of hills, valleys, plains and woods, exclusive of the beautiful lake.

A WHOLESOME CAMPING PROGRAM FOR BOYS

will feature hiking, swimming, boating, nature study, signalling, fishing, woodcraft, mass games—baseball, basketball, etc.—camp fires and many other activities so correlated and conducted as to bring out the fine spirit of cooperation, unselfishness and generousness in every boy in camp.

THE COST FOR THE ENTIRE PERIOD

OF TWO WEEKS WILL BE ONLY FIVE DOLLARS FOR EACH BOY. This small sum includes transportation to and from camp, food, camping and other necessary facilities of the camp.

THE BOY SCOUTS IN CAMP WABASH

will be under the supervision of the Chicago Council of the Boy Scouts of America and under the direct, personal protection and direction of Mr. Mason W. Fields, our recent Field Scout Executive.
